The indications are that the House will follow the recommendation of the committee and limit the punishment of Mr. McDermott to a censure. If this is fleiner, who was brought here, decided to operate.

The New Baby is World's Wonder

Every tiny infant makes life's per-

spective wider and brighter. And whatever there is to enhance its arrival and to ease and comfort the expectant mother should be given attention. Among the real helpful things is an external abdominal application known as "Mother's Friend" It is so well thought of by women that most drug stores throughout the United States carry "Mother's Friend" as one of their staple and reliable remedics. It is applied to the abdominal muscles to relieve the strain

abdominal muscles to relieve the strain on ligaments and tendons.

In a little book are described more fully the many reasons why "Mother's Friend" has been a friend indeed to women for more than two generations. This book was prepared not only to aid the inexperienced but to enable so many the inexperienced but to enable so many women to have at hand the timely hints, suggestions and helps in concise and neatly printed form for ready reference. It should be in all homes. "Mother's Friend" may be had of simost any druggist but if you fail to find it write us direct and also write for book to Bradneld Regulator Co., \$05 Lamar Bidg., Atlanta, Georgia. Georgia

While, for obvious reasons, no officer here cares to talk for publicatio it is still possible to obtain the navy view of the matter. A retired rear admiral CONFERENCES ASSIGN excellent presentation of the naval of ficers' sides of the case.

"Secretary Daniels' order," he said, " simply a gratuitous public reflection upon obedience to a certain public agitation for the regulation of the personal habits of the people generally, but it seem to me that the Secretary might have tak en into account the reputation of the fore he issued his order, which will be accepted throughout the world as refection on the officers who have helped to make this splendid record.

Blow at Self-discipline.

"The training of our midshipmen Annapolis is deservedly ranked as th its discipline has been held up as a nodel for other educational institution shipmen permitted the use of tobacco. "If the young man of twenty-one, after he does not remain long. There are greater temptations to the naval offi-cers than the use of stimulants, and the vhole effort of those who have given their services to build up this spiendid petty restrictions and prohibitions. "This order will not, in my judgment, ncrease the efficiency of the navy, because it tends to break down that self-discipline which has been the chief characteristic of naval offiers, and sub-stitutes for character and personal re-

disposes of the rival measure, known as the Shafroth amendment, introduced by Senator Shafroth, of Colorado. The same day, as the other, at the request of the ongressional committee of the National Woman Suffrage Association. It puts the Congressional Union's measure right back where it was when the vote was taken few weeks ago. This action did not surprise anybody

n the Congressional Union, although ion was elated over the victory. Miss Doris Stevens, executive secretary of the Congressional Union, pointed to the fact last night that the union's resolution was first introduced in Congress just one year ago yesterday. No effort will be made to get another vote on the resolution until after the big demonstration here May 9, Miss

Stevens announced.

The Shafroth resolution, which was before the committee with the other, provides for a referendum to the States.

RAILROAD EXTENSION **DECISION IS SOUGHT**

Anacostians and Others Seek Early Action by Public Utilities Commission on New Line.

The Public Utilities Commission will be ireed to make a decision at an early Bradbury Heights, Randle Highlands and other points, to Benning. A hearing on this subject was held several weeks

commission will not recommend that the entire line be constructed, but practically every one is of the opinion that they will at least order the extension as far as Suitland. This line would serve several hundred people at the present time, besides opening a territory which is well fitted for residential purposes. If the commission fails to act favorably upon any portion of the requests, interested parties will ask that a new charter be given them in order that a railway might be constructed by private individuals. The trustees of the Anacostia Baptist Church, which has been without a regucreased largely during the past few weeks, and the interest of former mem-bers is being revived.
